INDEPENDENT AUDITOR'S REPORT

To the Shareholders of the company "ETEKA S.A."

Qualified Opinio

We have audited the above financial statements of «ETEKA SA», which comprise the balance sheet as at December 31th, 2020, the profit and loss account, the cash flow statement and the statement of changes inequity, for the year that ended, as well as the Appendix.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the above financial statements present fairly, in all material respects, the financial position of the company as of December 31, 2020, the cash flows and of its financial performance for the year then ended in accordance with the Greek Accounting Standards

Basis for Opinion

Base on our audit we conclude that:

- 1) Notwithstanding the accounting principles of the Greek Accounting Standards, depreciation amounting to € 1.550.000,00 approximately has not been calculated for the other intangible assets, therefore, their
- residual value, as well as equity, appear equally increased.

 2) For doubtful debtors amounting to € 1.050.000 approximately, are included in the trade debtor's receivables, no corresponding provision has been set up. Due to the non-formation of this provision, the value of
- receivables from trade debtors and equity appear increased by €1.050.000 approximately and the year's results appear increased by 130.000 approximately.

 3) According to the accounting principles of the Greek Accounting Standards, the company's prediction for the employees on retirement is provided, the provision for retirement benefits at December 31, 2020 would have been approximately € 435.000 higher. As a result, the provisions for retirement benefits appear reduced by € 435.000 approximately and the shareholders' equity appears equally increased.

We concluded our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matte

We draw attention to:

Paragraph No. 5 «Provisions and Liabilities» of the appendix, which describes that third-party lawsuits filed against the Company amount to € 359.000 approximately. The outcome of the lawsuits cannot be predicted at present therefore no provision has been set up for such purpose. In our opinion there is no reservation on this issue

Other Information

Management is responsible for the other information. The other information comprises the Management Report of the Board of Directors, which is referred to Other Legal and Regulatory Requirements but does not include the financial statements and the audit report thereon.

Our opinion based on the financial statements, does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially consistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Accounting Standards prescribed by the Greek General Accepted Accounting Principles and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner

that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

Taking into consideration, that management is responsible for the preparation of the Directors' Report, pursuant to paragraph 5 of Article 2 (Part B) of Law. 4336/2015, we note that:

a) In our opinion, the Directors' Report has been prepared in accordance with the legal requirements of Article 150 of Law 4548/2018 and its content corresponds with the financial statements for the year ended 31/12/2020

b) Based on the understanding of ETEKA S.A. and its environment, during our audit, we have not identified any material misstatements in the Directors' Report.
